

ENERGY STAR® MANUFACTURED HOME REBATE PROGRAM

Energy Star® Certified Electrically Heated Manufactured Homes.

- \$1,200 Rebate

Rebate is only payable to the documented homeowner. The following attached forms and qualifications must be present to qualify.

- Sited in Lewis County PUD’s service territory after October 1, 2016
Have a permanently installed Lewis County PUD meter and an active service account
Energy Star® NEEM Certificate of Compliance attached to this form

Upon receipt of this completed form, the District will verify the customer has an account at the service address listed. An on-site inspection will be scheduled for verification, at the homeowner’s convenience.

Rebate Form must be submitted within 12 Months of Purchase Date.

Rebate will be paid by Check. Please allow 6 - 8 weeks for delivery
